

English Test

Name: Vera Lucia Rodriguez Velazquez - n° 20

19,5  
J.

A- Read the following text and answer the questions:

Andy is 22 years old and he is from Manchester, England. He is not married but he has a girl friend, Carrie. She is American but she lives and works in Manchester. They are both students at the University. Carrie works as a receptionist in an American company and she studies theatre. Andy studies Mathematics. Andy lives with his parents in a flat near the centre of Manchester. Carrie lives in a small apartment with another student.

Carrie and Andy love music and they have a lot of CDs. In the evenings they go out with some friends or they stay home listening to music or watching TV. Next summer they intend to go to the USA to meet Carrie's parents. They plan to get married by the end of next year.
